MORE PLAYBOY'S PARTY JOKES

Vicky Newman

HERE IT IS—the second waggish collection of Party Jokes selected by the editors of PLAYBOY from the famous monthly feature in the nation's most sophisticated magazine. Replete with racy gags, mirthful limericks, PLAYBOY's inimitable Femlins and cartoons, this debonair compendium is sure to join PLAYBOY'S PARTY JOKES (Playboy Press book 16157) as a national best seller and best friend to urbane partygoers of both sexes.
